Leon,

Our new "Central Market" in Plano opened this past February, as you know. I'm writing today to say Thanks for a job well done and to say I am fortunate to be associated with you, Wes Cross and owner Jacky Martin.

Your Team's drive to succeed against all odds are recognized and not taken for granted. Superintendent Wes Cross kept his cool in the middle of an avalanche of changes orders, demanding Store Partners and my own hollering. In the end we have a Great Facility for years to come and we think one of the best and most unique "Grocery" Stores in the country. I look forward to more Projects in the future with JBI as we continue to work on "Building the Perfect Store". Thanks for making our success possible.

Sincerely,

Allen Whitley
