Mr. Jacky Martin
JBI Electrical Systems, Inc.
5705 Azle Avenue
Fort Worth, TX 76114

Mr. Martin,

I wanted to take a moment to write and let you know how much Hunt Construction Group appreciates the job JBI did as the electrical subcontractor on the Saginaw High School project. This project was an eighteen-month endeavor that encountered numerous obstacles and challenges from the start. JBI met these challenges head on and was able to complete the project on time. JBI was as an outstanding partner and team player throughout the entire process.

My special thanks to Troy Courville, JBI Superintendent, who lived with this project for the duration and to Pat Olson, JBI Project Manager. These two gentlemen were unrelenting in their demand to bring this project to completion, on time, and with no lost time accidents. From my standpoint, "mission accomplished".

Again, I would like to offer my sincere appreciation and thank you for your dedication and hard work. I look forward to working with JBI in the future.

Sincerely;

A handwritten signature in black ink that reads 'Ivan Kuncheff'.

Ivan Kuncheff
Construction Manager
